American National Rubber certifies that the listed part numbers are in compliance with the European Union's "on the restriction of the use of certain hazardous substances in electrical and electronic equipment (recast)" (RoHS2) Directive 2015/863/EU without use of Annex exemptions, unless the specific exemption number is declared with the part number below.

American National Rubber certifies that the listed part numbers are in compliance with China's "Administrative Measures on the Control of Pollution by Electronic Information Products (Ministry of Information Industry Order #39)", also called "China RoHS", unless the exemption for Environmentally Friendly Use Period (EFUP), in years, is declared with the part number below.

American National Rubber certifies that the listed part numbers are in compliance with California Proposition 65 – The Safe Drinking Water and Toxic Enforcement Act, 1986 (<http://oehha.ca.gov/prop65/background/p65plain.html>) and the Montreal Protocol Requirements ([http://ozone.unep.org/new\\_site/en/index.php](http://ozone.unep.org/new_site/en/index.php)).

American National Rubber certifies that the same listed part numbers are in compliance with the European Union Directive 1907/2006 on the Registration Evaluation Authorization and Restriction of Chemicals (REACH) and subsequent revisions, including up to the latest additions made on **07/19/2018**. REACH compliant means that our products /are categorized as articles under the REACH Regulations and as such do not contain more than 0.1% w/w of substances listed in the latest Substances of Very High Concern (SVHC) list which is released by the European Chemicals Agency. Latest list of substances can be found at the ECHA website: <http://echa.europa.eu/web/guest/candidate-list-table>

We will continue to monitor the status of the candidate list as part of our on-going compliance activities, including the possible need under Article 33 of REACH to inform product recipients if an article contains more than 0.1% w/w per article of any substance that is added to the SVHC candidate list in the future.

Finally, in accordance with the Congo Conflict Minerals Act of 2009 (CCMA), American National Rubber does not use any of the minerals listed specifically which includes cassiterite, wolframite, tantalum, and gold; nor do we use minerals mined in the regions designated by US Congress in the CCMA to be areas of armed conflict or human rights abuses.
